Sir:

**INTERVIEW SUMMARY**

This is in response to the Request for Interview Summary issued December 29, 2003. On December 23, the Examiner called the undersigned to indicate that the Restriction Election filed November 12, 2003 was improper because no election between Groups I, II, and III was made. As detailed in Applicant's response made November 12, 2003, Groups I, II, III, and V are all closely related without necessitating an additional search. During the December 29, 2003 call, the Examiner continued to disagree with Applicant's belief that no restriction should occur.

In the event that the Examiner considers personal contact advantageous to the disposition of this case, the Examiner is hereby authorized to call Applicant's

Application No. 10/029,313
